THE ARCHIVES LIST - a very small sample. Jan 2009

Here's a very small sampling of booklets and pamphlets we have on file for you. These are photocopies, not originals, but you'll get better use of your tractor and implements with this info. Most items are either Assembly or Operating Instructions or both. Some are parts lists.

To get any of these, please send the number of first class stamps shown in the parenthesis in each listing, or dollar equivalent. Just check off the item(s) you wish, and send stamps or check in amount, with this form. (**number x .42 = amount; Canada & Foreign: number x .63**)
